ANEXO I

Bases de la Convocatoria de Permanencia en la Universidad Autónoma de Madrid y sus Centros Adscritos para la matrícula en el curso 2025/2026.

PRIMERO.- Objeto de la convocatoria

El objeto de la presente convocatoria es regular el procedimiento de solicitud de Permanencia en estudios oficiales de Grado y Máster Universitario de la UAM y sus Centros Adscritos.

BOLETÍN OFICIAL DE LA UNIVERSIDAD AUTÓNOMA DE MADRID

Código Seguro De Verificación	5762-5A58-3348P7232-4836	Fecha	26/05/2025
Firmado Por	SELLO ELECTRONICO DE SECRETARIA GENERAL		
Url De Verificación	https://sede.uam.es/ValidacionMoviles?codigoFirma=5762-5A58-3348P7232-4836	Página	8/67

Esta convocatoria regula las tres opciones de optar a la permanencia recogidas en la Normativa de Matrícula y Permanencia de la UAM¹:

- ▣ Permanencia cuando no se ha superado el porcentaje mínimo de créditos (artículo 9).
- ▣ Permanencia cuando se ha superado el porcentaje mínimo de créditos, pero se han agotado las matrículas a las que se tiene derecho (artículo 10).
- ▣ Permanencia cuando no se ha superado el porcentaje mínimo de créditos y se han agotado las matrículas a las que el estudiante tiene derecho (artículo 11).

Las presentes bases no regulan el procedimiento de solicitud de Convocatoria Excepcional que se rige por lo dispuesto en las Bases de Convocatoria Excepcional para el curso 2025/2026.

Los estudiantes que incumplieron la Normativa para la Matrícula y Permanencia en cursos anteriores y efectuaron un traslado de expediente a otra universidad, no tienen derecho a presentar una solicitud de Permanencia en tanto que ya no son estudiantes de la UAM.

SEGUNDO.- Situaciones en las que el estudiante debe presentar una solicitud de permanencia

Conforme al artículo 8 de la Normativa de Matrícula y Permanencia, para continuar sus estudios en la UAM, el estudiante debe cumplir dos requisitos:

1. Haber superado, en el curso 2024/2025, como mínimo, el 20% de los créditos matriculados en estudios de Grado o el 50% en estudios de Máster. Adicionalmente, en los estudios de Grado, el estudiante deberá haber superado, dentro de los dos primeros años matriculados, como mínimo, el 50% de los créditos del primer curso (el 25% en el caso de haber optado por matrícula parcial).

Si un estudiante está matriculado en dos titulaciones diferentes del mismo nivel académico en la UAM, el porcentaje de créditos se calcula teniendo en cuenta el número total de créditos matriculados y superados en ambas titulaciones.

2. No tener ninguna asignatura sin superar en la que haya agotado las dos matrículas a las que tiene derecho. A estos efectos, no computan las asignaturas optativas en las que el estudiante haya agotado las dos matrículas y decida no volver a matricularlas en más de tres asignaturas matriculadas.

No obstante, en atención a las salvedades recogidas en los artículos 9.4 y 10.1 de la Normativa, el estudiante **solo debe presentar una solicitud de Permanencia** si se encuentra en alguna de estas situaciones o en ambas:

¹ Acuerdo 24/CG de 8-11-24 por el que se aprueba la modificación de la Normativa de Matrícula y Permanencia de la UAM (aprobada por Acuerdo CG de 11.07.2019 y CS de 15.07.2019; modificado por Acuerdos Consejo de Gobierno de 12.03.2021 y Consejo Social de 16.03.2021, y Acuerdo Consejo de Gobierno de 12.04.2024).

1. No ha superado los citados porcentajes de créditos en el último curso académico matriculado, salvo que tenga superado el 70% de los créditos totales de la titulación.
2. Ha agotado las dos matrículas a las que tiene derecho, en más de tres asignaturas.

En ambos casos, **siempre que no hayan transcurrido más de dos cursos** académicos desde el último curso matriculado. Trascurrido este plazo, el estudiante **no podrá** continuar sus estudios en la UAM.

El estudiante debe formalizar su matrícula en las fechas previstas al efecto, conforme a la información que faciliten en la Administración-Gerencia de su Centro o en la web de éste.

Si, por circunstancias excepcionales, el estudiante desea solicitar un aplazamiento de esta matrícula a un curso posterior, deberá presentar una solicitud motivada y documentada, siempre antes del inicio oficial del curso académico, en los términos del artículo 9.8 y 10.6 de la Normativa de Matrícula y Permanencia de la UAM.

El acuerdo favorable de permanencia implica el compromiso de asistencia, por parte del estudiante, a una sesión informativa que se celebrará a comienzos del curso académico, conforme el artículo 9.9 de la Normativa de Matrícula y Permanencia de la UAM. La Comisión de Permanencia prestará especial atención a esta asistencia en su proceso de toma de decisión en el caso de presentar segundas o sucesivas solicitudes de permanencia.

En el caso de que la solicitud de Permanencia (a la que se refieren los artículos 9, 10 y 11 de la Normativa) coincida en el tiempo con una solicitud de Convocatoria Excepcional (artículo 7), será necesario que el estudiante obtenga una respuesta estimatoria en ambas solicitudes para poder continuar con sus estudios. Obtenidas ambas, el estudiante deberá formalizar matrícula para el curso en el que se le ha concedido la permanencia y para la/s asignatura/s para la/s que se le haya concedido Convocatoria Excepcional.

Consortium Agreement for Master's Programme in Transdisciplinary Studies of Climate, Environment and Energy (TRACEE)

PREAMBLE

CIVIS is a European Civic University Alliance formed by 11 leading research higher education institutions across Europe: Aix-Marseille Université, National and Kapodistrian University of Athens, Université libre de Bruxelles, University of Bucharest, University of Glasgow, Université de Lausanne, Universidad Autónoma de Madrid, Sapienza Università di Roma, Paris Lodron Universität Salzburg, Stockholm University and Eberhard Karls Universität Tübingen. It brings together a community of more than 470,000 students and 58,000 staff members including 35,000 academics and researchers.

The Mediterranean zone and Africa are at the heart of CIVIS' global strategy. Since 2022, CIVIS entered into an ambitious partnership agreement with six prestigious African universities: Makerere University (Uganda), Eduardo Mondlane University (Mozambique), Université Hassan II de Casablanca (Morocco), University of Sfax (Tunisia), Université Cheikh Anta Diop de Dakar (Sénégal) and University of the Witwatersrand (South Africa). European and African universities in CIVIS commit to a comprehensive cooperation agenda by developing joint programmes and activities in education, research, and societal outreach.

The CIVIS **Master's Programme in Transdisciplinary Studies of Climate, Environment, and Energy (TRACEE)** was initiated in 2021 by the academics in the CIVIS Hub Council of Climate, Environment and Energy, represented by all CIVIS universities. The initiative has since then come to involve a wide participation of academics, professional staff and senior management within the CIVIS partner universities.

This Agreement formalises a shared commitment to addressing urgent global challenges, including the climate crisis, environmental degradation, and sustainable energy transitions, through innovative and collaborative higher education.

In response to the global call for transformative education, the Programme is rooted in the principles of transdisciplinarity, integrating diverse academic disciplines and fostering collaboration with non-

academic stakeholders. This approach equips students with the knowledge and skills to design and implement sustainable and impactful solutions to complex societal challenges.

Structured to leverage the strengths of all participating institutions, the Programme combines foundational studies at Stockholm University with thematic specialisations across the partner universities, culminating in a research-driven master's dissertation. By offering students access to varied academic resources, disciplinary perspectives, and multifaceted learning environments, the Programme exemplifies the shared strength and synergy of the partner universities forming the CIVIS Alliance.

Aligned with the objectives of the European Higher Education Area (EHEA), the Programme promotes internationalisation, inclusivity, and excellence in higher education. It is designed to foster not only academic innovation but also equity and access, preparing graduates to lead transitions towards global sustainability.

Through this Consortium Agreement, the partner universities reaffirm their shared vision to foster academic excellence, adapt to evolving global needs, and contribute meaningfully to the resolution of environmental challenges. This partnership reflects the institutions' enduring commitment to collaboration, innovation, and the pursuit of a sustainable and equitable future.
