

Dear Student,

Thank you for your interest in coming to UAM as a mobility student for the next academic year. You will find all the information for in-coming students to UAM on our web site here:

<https://www.uam.es/uam/international/incoming/estudiantes-intercambio>

And specific from the Faculty of Science here:

<http://www.uam.es/Ciencias/MovilidadEstudiantesEntrantes/1446753361166.htm?language=es&nodepath=Movilidad%20Estudiantes%20Entrantes%20/%20Incoming%20Students&pid=1446752194127>

Before you arrive, there are **TWO** important steps you do:

- 1) Online Application Form for Admission
  - a. **First**, you must register at the UAM here: <https://secretaria-virtual.uam.es/Navegacion/InicioRegistro.movilidad.html>
  - b. **Second**, you must complete the online application here: <https://secretaria-virtual.uam.es/Navegacion/InicioAdmision.html>
  - c. **Deadlines**
    - i. 1<sup>st</sup> semester and full academic year: **from the 15<sup>th</sup> to 31<sup>st</sup> of May**
    - ii. Deadline 2<sup>nd</sup> semester: **from the 1<sup>st</sup> to the 31<sup>st</sup> of October**
  
- 2) Learning Agreement for Course Registration
  - a. Email your Learning Agreement to [ori.ciencias@uam.es](mailto:ori.ciencias@uam.es) signed by you and your mobility coordinator.
  - b. **Deadlines**
    - i. 1<sup>st</sup> semester and full academic year: **15<sup>th</sup> to 31<sup>st</sup> of May**
    - ii. 2<sup>nd</sup> semester: any time until the **31<sup>st</sup> of October**
  - c. There are **limited** places for incoming students in our courses and reservations are made on a **first-come basis**. Therefore, we **highly** recommend you sending your learning agreement **asap**.
  - d. If we do not receive your Learning Agreement proposal **before the deadline** with this information, we **CANNOT** guarantee a place in the courses you want.

#### **IMPORTANT INFORMATION FOR CHOOSING COURSES**

The **academic calendar** for next year will be published in May

<https://www.uam.es/uam/estudios/grado/matricula/calendario>

The **schedules** for next year will be published in May

[http://www.uam.es/ss/Satellite/Ciencias/es/1234888218730/contenidoFinal/Estudios\\_de\\_Grado.htm](http://www.uam.es/ss/Satellite/Ciencias/es/1234888218730/contenidoFinal/Estudios_de_Grado.htm)

Courses are organized by degree (Biology, Physics, Mathematics, etc.) and year (bachelor's degrees have four years). However, you can take any course from any year and a degree from the Faculty of Sciences. You **MUST** check the groups and **weekly** schedules for each course because some courses may be overlapped. Some degrees have only one group (Biochemistry for example), but others have up to four groups (Biology).

To find the course syllabus, groups and schedules follow this path

- 1) Go to the main page of the **Science Faculty**:  
<http://www.uam.es/Ciencias/EstudiosGrado/1234888218730.htm?language=es&nodepath=Estudios%20de%20Grado>
- 2) On the left-hand side of the page, click on **Estudios de Grado** and then choose the degree you want.
- 3) You can find the full academic offer by clicking on **Oferta Académica**.
- 4) You can find the groups and schedules by clicking on **Horarios y Aulas**.
  - a. **Note:** Group numbers have three digits. The first digit stands for the degree, the second is the course year (1-4), the third digit means if the group has morning classes (1 and 2) or afternoon classes (6 and 7).

**IMPORTANT:** The Learning agreement must be filled with **CODE, GROUP**, and **NAME** of the courses you want to take.

### **COURSES FROM OTHER FACULTIES**

It is also possible to take some courses from other Faculties, but at least 51% of your course credits must be from the Faculty of Science. The admission and enrolment process for these courses is different for each faculty. We **CANNOT** guarantee you a place in any course that is not from the Faculty of Science.

### **MASTER'S COURSES**

If you want to attend Master's degree courses at UAM, we need to ask for your admission to the Master Coordinator. Please send us the following documents **in addition** to your learning agreement.

- 1) Curriculum vitae/resume/CV
- 2) Transcript of records
- 3) A statement of purpose.

#### **Areas available: (Masters not listed below are not available for incoming students)**

Master's Degree in Advanced Materials

Master's Degree in Applied Chemistry

Master's Degree in Biomolecules and Cell Dynamics

Master's Degree in Biotechnology

Master's Degree in Chemical Engineering

Master's Degree in Condensed Matter Physics and Biological Systems [Specialization in Biophysics / Specialization in Nanophysics]

Master's Degree in Energy and Fuels for the Future

Master's Degree in Inland Water Quality Assessment

Master's Degree in Mathematics and Applications (Specialization in Introduction to Research / Applications of Mathematics)

Master's Degree in Microbiology

Master's Degree in New Food Products

Master's Degree in Science in Biodiversity

Master's Degree in Theoretical Physics

**Please, remember that Inter-Universities Master Degree Courses are not available for incoming students.**

**AFTER LEARNING AGREEMENT APPROVAL**

Once we have received and approved your Learning Agreement proposal we will send you the signed learning agreement, an acceptance letter, and additional information about the enrolment process, Spanish courses, etc.

Thank you very much for your cooperation.

Best regards
