

## **Gender Studies Graduate Seminar 2024. Call for Papers**

**November 25th, 2024**

The Gender Studies Graduate Seminar celebrates its 26<sup>th</sup> anniversary. Like every year, we organize the Gender Studies Graduate Seminar for our Master and Doctoral students so that they can present (15 minutes) their current research on gender themes. This year, the Gender Studies Seminar will focus on maternity studies, concretely on matrifocal narratives. We will welcome proposals that discuss mother roles, mother-daughter relationships and new forms of maternities in literature. After the presentation, there is always time for discussion. We will have morning and afternoon sessions for the participants, and they will receive a certificate of participation and attendance.

Please, send your proposal, just the title of your presentation, to [eulalia.pinero@uam.es](mailto:eulalia.pinero@uam.es) and [laura.arce@uam.es](mailto:laura.arce@uam.es)

Deadline: **Nov. 10th, 2024.**

Our guest speaker is **Dr. Marisol Morales Ladrón**, Full Professor in Irish Studies and Literature at the Universidad de Alcalá. The title of her lecture is:

**"Transgressing the Legacy of Mother Ireland: Joy and Rage in Contemporary Irish Narratives of Maternal Subjectivity"**
