# Moodle

The image shows a composite of two screenshots from the Moodle de Grado website. The top screenshot displays the login page with a green header containing the UAM logo and navigation links. A large green box with the text "Moodle de Grado" is overlaid on the left. A white login box in the center offers two options: "Acceder con ID-UAM" (requiring an ID-UAM identifier like @uam.es) and "Acceder" (for users without an ID-UAM). The bottom screenshot shows the user's personal area for the 2021/22 degree. It features a green sidebar with navigation options like "Área personal", "Inicio del sitio", "Calendario", "Mis cursos", and "Más ...". The main content area includes a user profile, a "Mensaje" button, and a "Personalizar esta página" button. Below this is a "Vista general de curso" section with filters for "En progreso" and "Último accedido", and a "Tarjeta" view. The course details show "Escuela Politécnica Superior Consejo de Estudiantes" and "Segundo Semestre INGENIERÍA DEL SOFTWARE (Grupo 231)". On the right, there are sections for "Insignias recientes" (none shown), a "Calendario" for August 2021, "Eventos próximos" (none shown), and a "Línea de tiempo".
